

Tap-N-Grab

June 2, 2026

Tap-N-Grab

The premium smart-store amenity your residents will actually use.

A glass-front market that runs itself — 24/7 snacks, cold drinks, and frozen treats behind a single tap. **Zero cost. Zero work for your team.**

WHY PROPERTY TEAMS CHOOSE TAP-N-GRAB

- **Always on, always stocked.** Residents get convenience at their doorstep on the high-friction days that matter most — late nights, deadlines, bad weather.
 - **No burden on your staff.** We install, merchandise, restock, and service it. Your team does nothing.
 - **A premium look, not a vending machine.** Clean cabinetry, glass fronts, and a calm modern finish that belongs in a luxury lobby.
 - **Tap and grab.** Contactless checkout with phone or card. No app required, no cash, no friction.
 - **Data-driven assortment.** We tune the product mix to your community — younger buildings skew energy drinks and premium snacks; family communities get household-friendly staples.
-

ONE PLATFORM. EVERY FOOTPRINT.

Model	Best for	Configuration
Mini	Boutique buildings under 120 units	1 zone — Chill
Market	Established communities of any size	All-in-one cooler
Duo	120–250 unit communities	2 zones — Chill + Pantry
Trio (<i>flagship</i>)	200+ unit communities & flagship lobbies	3 zones — Pantry · Chill · Frost

Temperature zones: *Pantry* (ambient snacks & essentials) · *Chill* (cold drinks & fresh) · *Frost* (frozen treats & meals). Mix and match to fit any space.

WHAT IT DOES FOR YOUR COMMUNITY

The amenity proves its value instantly on the days residents can't get to an off-site store. That convenience-at-the-doorstep is what turns a nice-to-have into an everyday habit — and a leasing differentiator your competitors don't have.

- Strengthens your amenity package at **no line-item cost**
- Boosts resident satisfaction and renewal-worthy goodwill
- Activates dead lobby and package-room square footage
- Optional resident rewards & raffles to drive engagement

READY IN THREE STEPS

1. **Walkthrough** — we assess your lobby, package room, and resident profile.
2. **Install** — delivered, placed, and merchandised in a single visit.
3. **Hands-off operation** — we monitor, restock, and service. You relax.
